Relationship discussion brief - not calculated compatibility

Prepared for Mira Sen (fictional example) & Arun Iyer (fictional example). No verified two-person matching result is available in this edition. We have not generated a compatibility score or attributed the first person's chart to both people. The questions below are practical discussion prompts, not astrological findings.

Compare both answers to your actual concern

Your supplied question: “How can we agree on household responsibilities and a possible move?”. Ask each person separately, then compare the answers without assuming agreement.

- ◆ What would a good outcome look like to you?
- ◆ What responsibility, expectation or boundary needs to be clearer?

- ◆ What is one agreement you are both willing to test, and when will you review it?
